

ITINERARY FOR INDIA 2017

Most likely my last trip to India, the 17th bringing Gandhi's message since 2005*.

Trip dedicated to Martha and Joe Martin with love and esteem

by Bernie Meyer

My objective for this journey is to inspire youth and adults with Gandhi's message. Also, I want to share my own thoughts about how I think Gandhi would speak and act today, in 2017, by the way I act and communicate. I am most concerned about the future of life on earth due to the growing threats of nuclear weapons and anthropogenic climate destruction. (Regarding nuclear weapons, I will bring Journalist John Pilger's documentary, *The Coming War On China*.) Fundamentally, flowing from truth and love as nonviolence, build courage and organize sustainable communities.

We must be the change we want to see.
