

## **CRE&T Carpenter Volunteer Position Description v0.01**

**Organization:** Computer Recycling Education & Training

**Job Title:** Carpenter

**Objectives:** To perform general carpentry tasks at CRE&T.

**Duties and Responsibilities:** Carpenter will tape sheetrock; work on some floors, shelves, and stairs. Safety is key.

**Qualifications and Requirements:** Applicant should be a relatively experienced carpenter. Ability to work with sheetrock would be helpful.

**Lines of Communication:** Carpenter may take direction from the Build Manager, the Disassembly Manager, the Store Manager, or the Triage Manager.

**Orientation and Training:** An hour or so of orientation outside of business hours.

**Times Needed and Place of Work:** Carpenter will work on an ad-hoc basis outside of normal CRE&T business hours at 115 Olympia Ave. NE.

**Commitment Required:** Carpenter should be able to perform tasks on an ad-hoc basis. In general, most tasks can be broken down into 3 hour sessions.

**Benefits:** A showcase for your work. We will provide references.

**Frustrations:** Some of the jobs we will ask of you are probably beneath your skill level.

**Satisfactions:** A job well done, at your own pace.
