

CRE&T Plumber Volunteer Position Description v0.01

Organization: Computer Recycling Education & Training

Job Title: Plumber

Objectives: To perform general plumbing tasks at CRE&T.

Duties and Responsibilities: Plumber will upgrade water system and replace stools and sinks. Safety is key.

Qualifications and Requirements: Applicant should be a relatively experienced electrician.

Lines of Communication: Plumber may take direction from the Build Manager, the Disassembly Manager, the Store Manager, or the Triage Manager.

Orientation and Training: An hour or so of orientation outside of business hours.

Times Needed and Place of Work: Plumber will work on an ad-hoc basis outside of normal CRE&T business hours at 115 Olympia Ave. NE.

Commitment Required: Plumber should be able to perform tasks on an ad-hoc basis. In general, most tasks can be broken down into 3 hour sessions.

Benefits: A showcase for your work. We will provide references.

Frustrations: Some of the jobs we will ask of you are probably beneath your skill level.

Satisfactions: A job well done, at your own pace.
