OLYSUNRISE
COMPOSTING CONCIERGE

We Do the Dirty Work
So You Don't Have To.

OlySunrise Compost Concierge 100% Bike-Powered Compost Collection

You have the dream of a beautiful, thriving garden. You want to provide you and your family—and maybe your neighbors—with organic produce. You can almost see it in your mind. But then you realize how much downright work it is to bring this dream to reality. It takes time, knowledge and lots of physical work. You work full-time, you have kids, and the idea of a garden, while enticing, is also overwhelming. Especially composting, but there are also other tasks you might want to let someone else handle.

**An Effective Alternative to
"Letting the City Do It"**

Community Compost at Hub Sites

We maintain large compost hubs at community spaces throughout the city. For every pound of compost provided by you, you earn a point that can be spent at local businesses. You may go to the compost hubs and pick up as much finished compost as you like, or, you can contract with us to deliver for a reasonable price.

Composting at Your Home

You know that composting can be done effectively—and that if you do it right, you end up with beautiful natural fertilizer. But you also know if it's done wrong that it can just be a stinky mess. And you think maybe it's just easier to let the City do it.

We like slimy kitchen scraps

Peelings, nothing more than peelings

We'll sing in the compost... we'll dance every day

Give us your huddled messes longing to be free

Peelings woa woa Peelings

Mud! We Love it!

We do the hard work for you so you can choose the parts of gardening that you can fit into your busy schedule. So you can have the serenity and joy of gardening, without being concerned about it going "rogue" on you.

Services

100% Bike-Powered Compost Collection.

How it Works: You receive a bucket for a \$20.00 start-up fee. There is a \$35.00/month fee for our compost collection services.

Each week, you fill the bucket with kitchen scraps. We collect your compostables, clean the bucket, and line it with a new paper bag and leave it for you to fill again.

One-Time \$20.00 Startup-Fee

We can help you build and maintain your own compost site at your home, or

Call 360-551-0674 NOW

to become a comp-host!

Provide a composting hub for your neighbors, and get YOUR service FREE!
