

Gandhi says “Never Again”...No nukes!

August 9 - 11, 2013

Join Ground Zero Center for Nonviolent Action (GZ) as we commemorate the atomic bombings of Hiroshima and Nagasaki, and say “Never Again!”

A full weekend of activities including keynote presentation by Bernie Meyer, the American Gandhi (on Saturday), and a day of nonviolent action against nuclear weapons (on Sunday).

Please join us for any or all of the weekend. Camping space is available at GZ. Get the full schedule as well as info on the Interfaith Peace Walk (July 26 to August 9) and the Peace Fleet (July 31) at gzcenter.org. Questions? Contact info@gzcenter.org or call (360) 930-8697.

Ground Zero offers the opportunity to explore the meaning and practice of nonviolence from a perspective of deep spiritual reflection, providing a means for witnessing to and resisting all nuclear weapons. The Bangor Naval base next door to GZ contains the largest operational concentration of nuclear weapons in the US arsenal.
