Town Hall  
6:55 pm  
Community for Interfaith Celebration

Attendance: Kayla Perez, Kathleen Peppard, Eve Fagergren, Betty Hauser, Dick Hauser, Kathy Pruitt, Jonnel Anderson, Nika Keller, Scott Bishop

Kathy Pruitt, Town Hall facilitator, called the meeting to order.  
Jonnel Anderson, Town Hall Recorder summarized the minutes from the June 3, 2012 Town Hall. The minutes were approved.

**Town Hall discussed distribution of the minutes to all of CIC. It was determined that Scott would post them on CIC web site and those who wished could open them from there. Those without email will be notified that they may call the office and if they wish, minutes will be copied and sent or they can be picked up at CIC on Sunday.**

Kathleen presented Lay Minister's Report to Town Hall. Her sabbatical had many pleasures and only a few disappointments. Many rose to the challenge of covering her many tasks while she was gone. Town Hall discussed the cost of Ft Flagler and **approved one time spending up to \$200 to subsidize all campers for the cost above \$13.00 per person per night. Further discussion will be had on whether we use the surplus in the Ft Flagler account for this subsidy each retreat or continue to use it for full or partial camperships as requested by the camper. It was suggested that Steering Circle provide other options and recommendation to Town Hall.**

Nika Keller reported that the Elementary Sunday School is going well with parents already engaged and curriculum ready. A hiring committee made up of Nika, Annie Hankins and Penny Purkerson are addressing the issues related to a new elementary school teacher and have one candidate and one who is interested.

The Youth Sunday School is not yet as far along, but parents and youth will meet together to discuss the year and plan for the future.

Discussion about supporting and supervising our employees, steering circle's interface with CIC and Town Hall and the needs of our youth, parents and teachers continues. **Steering Circle will meet to discuss this in the near future.** Discussion about how our teachers are our employees and that personnel relationship is different than it was when parents were in the classroom.

Evie shared that budget is on schedule and no problems seen on the horizon for the end of the year fulfillment of pledges or unexpected expenditures.

The Fruit Sale was discussed. Kathleen announced that Nika Keller will manage the revenue and sale orders. The agenda for the next Town Hall on October 14, 2012 is Fruit Sale beneficiary selection by CIC . There is a need for committed sellers and deliverers. Meeting adjourned at 7:45 pm
