

# RESETTING OUR SACRED TABLE

*An Annual, Autumnal  
Celebration of Community,  
Culture, and Music*

You are invited to attend this year's offering of Resetting Our Sacred Table wherein we will welcome and celebrate the Squaxin Island Tribe along with contributions from the Interfaith Works membership and beyond. This event continues to evolve as we uphold celebrating community through music, food, and sharing while we grow in awareness, connection, and engagement with regional tribal neighbors.

Our theme this year is "Building Bridges of Understanding," and how connection and understanding are needed in this time more than ever.
